B.L.WENTWORTH

County Auditor

RE: In places where there are several listings of Sections and Lot numbers, this stipulates more than several parcels of land However due to the readability the acreage was not included.

You may or may not want to find your ancestor on this list, but it could be the only place that you find his name. Since this was during the Civil War, I thought it was a good idea to print it.

Thanks Dorthy for coping it off for us.
